## STAFF CORNER

Dear Parents,

Boy has this school flown by! What a blessing it is to share life with you and your child. With almost 5 years under my belt at this school, it's been a fun to watch your children grow closer to Christ and it's been a joy to watch them grow up too! As I reflected about what I should write all that came to my mind was what a blessing it is to teach at HMS Richards School. We have great students! The older students interact with the younger students so well. Our staff is very united and each one of us puts our hearts into our work. Wow! You, as parents, are so supportive of our school. We appreciate each family in our school. Lastly, I'm just amazed at how many volunteers we have at our school. They consistently come in every week to help and they unselfishly volunteer their time. What a blessing it is to our school to share life with each one you. Just know that we take the time during our staff worship to pray for each family and child in our school.

In 1 Corinthians 12:27 it states that you are the body of Christ, and that each one of you is apart of it. Each one of us has different talents and personalities which make us all unique. Our school would not be the same if each one of you were not apart of it. As we wrap the last half of this year just know that we appreciate all the sacrifices that you make to send your child to our school. May God bless you now and into the future for making that sacrifice.

Sincerely,  
Mrs. Smith
